NOTICE TO THE PUBLIC

The Lawrence Board of Zoning Appeals will hold a public hearing on Thursday, September 6, 2007, at 6:30 p.m., in the Commission Meeting Room, first floor of City Hall at Sixth and Massachusetts Street, Lawrence. The following items will be considered at that time:

**B-08-10-07:** A request for variances as provided in Section 20-1309 of the Land Development Code in the Code of the City of Lawrence, Kansas, 2006 edition. The requests are for a reduction in the number of off-street parking spaces and parking lot and site area landscaping required per the provisions of Article 9, Section 20-915, and Article 10, Sections 20-1003 and 20-1004 of the City Code. Approval of the variances will enable the property owner to proceed with an application to the City for site plan approval to expand an existing light industrial business use that has been a tenant in the area for more than 16 years. The property is legally described as Lots 2 & 3 in the Replat of Industrial Square One Nine, a subdivision in the City of Lawrence, Douglas County, Kansas. The subject property is located at 1900 Delaware Street. Submitted by Steven Schwada for Venture Realty Company, the property owner of record.

If you have any questions regarding these items, please contact the Planning Department at 832-3159.
