

**Demolition** - In the interest of long-term effects on Downtown Lawrence, careful thought should be given to a project before the option of demolition is exercised. Properties listed on the National Register of Historic Places, the Register of Historic Kansas Places, or the Lawrence Register of Historic Places are subject to additional review as required by K.S.A. 75-2724 and/or Chapter 22, Code of the City of Lawrence.

### Guidelines

- Any demolition request, not related to public safety, shall be accompanied by additional documentation indicating the existing condition of the building and the proposed use for the site. Documentation should include proposed elevations and an explanation of why it is not feasible to use the existing structure.
- Demolition permits shall be reviewed by the Historic Resources Commission and the City Commission.
