This survey project was funded, in part, from a grant from the Kansas State Historic Society Cultural Resource Program through funding from the Historic Preservation Fund, National Park Service, U.S. Department of the Interior. The contents and opinions, however, do not necessarily reflect the view or policies of the United States Department of the Interior or the Kansas State Historic Society.

This program receives federal funds from the National Park Service. Regulations of the U.S. Department of the Interior strictly prohibits unlawful discrimination in departmental federally assisted programs on the basis of race, color, national origin, age or handicap. A person who believes he or she has been discriminated against in any program, activity or facility operated by a recipient of federal assistance should write to: Office of Equal Opportunity, National Park Service, 1849 C Street, NW, Washington, D.C.
