

TRANSPORTATION 2030 COMMITTEE (T2030)
Discussion Items

Thursday, August 24, 2006
12:00-1:30 PM

City Manager's Conference Room, 4th Floor, City Hall

- **KDOT Comprehensive Transportation Program**
Terry Heidner, KDOT Director of Planning & Development attended the Aug. 8th Transportation Advisory Committee (TAC) meeting to brief the committee on KDOT plans and intentions for the post-Comprehensive Transportation Program period.

- **Future Land Use Map**
Discussion of updating the 2025 Future Land Use Map to 2030. Staff has developed a composite future land use map for discussion. Using the T2025 future land use map as a base, staff concepts for several areas and draft future land use maps from several area plans were added.

- **Transportation 2030 Schedule**
Staff has updated and revised the Transportation 2030 project timeline to reflect current status of projects, revise task order, and adjust schedules.
