

TRANSPORTATION 2030 COMMITTEE (T2030)
Discussion Items

Monday, November 6, 2006

11:30-1:00 PM

City Commission Room, 1st Floor, City Hall

- **T2030 Public Participation Schedule**

Discuss draft schedule of public participation activities. Staff has listed public activities completed to date, plus activities planned through the adoption of the plan with tentative dates.

- **Future Land Use Map**

Continue discussion of updating the 2025 Future Land Use Map to 2030. Based on discussion and comments from T2030 and Planning Commission, staff has continued to refine the "Continued Suburban Development" and "TND" land use scenarios.

The Planning Commission reviewed and discussed the future land use maps at their Sept. 13th mid-month meeting and at their Sept. 25th and Oct. 25th regular meetings, and will continue discussion at their Nov. 8th mid-month meeting.

The committee will review the draft assumptions used to develop the future land use scenarios, if available.
